From the Administrator's Desk

Hello to one and all!! Spring is knocking at the door and before we know it, winter will be a memory. I want to thank all who contributed to making our Super Bowl Party a success and a special thanks to Joe and Thom for the food, it was GREAT. To those of you who missed it, sorry about your luck.

We have a few events planned in the coming months (see elsewhere for info) and it sure would be nice to see more of the membership taking part. These events are planned for all of you, not just for the "regular crowd". If our Lodge is going to continue to get back on it's feet, we need the support of all of the membership. While we certainly appreciate the support of those that are here all the time, it would be nice to see the rest of you on occasion.

Our membership is declining and this is not a good thing. According to the new General Laws set forth by Moose International at the June 2004 Convention, we are not permitted to carry members that are in arrears for more than six months. Please check your dues cards and if you are behind, please make every effort to get current.

Fraternally,
Bob Wolf, Administrator

Senior Regent Message

It's hard to believe that my year as Senior Regent is coming to an end. I want to thank all my co-workers that have given me help and support throughout the year.

I want to mention that we will going to a new computer system by June 1, 2005. What this means to you co-workers is that you will no longer be receiving you dues notices and new cards from the Chapter. Moose International will be sending out your notices and you will be sending your dues directly to them.

I hope to see you at the meetings and at the Lodge. Don't forget about the Fish Fry on Friday nights and I'll still be cooking wings on Monday nights.

Have a great Spring.

Governors Corner

Now that winter is on his way out that brings the spring and that means March Madness and where is the best place to watch our favorite team (UC XU KU)? THE MOOSE. Let's not forget the fast pace action of NASCAR. Yes we have more than one TV. Bring a friend, maybe a new member, to enjoy the race or the game and show them what other things our lodge has to offer.

The Super Bowl Parry, WOW, what can I say. Thanks Thom & Joe for another great job. Let's also thank the people making Monday night wings, Tuesday Night burgers and fries for doing a great job. You know who they are; Kris, Tony & Christine and the other people who make special guest appearances.

The mid-winter convention held in Independence Ohio. The men and women from the Norwood lodge had a great showing, 5 men and 5 women. The message was clear to me-MEMBERSHIP. Let's bring in new and retain the current levels we have today. I got to see my first Ritual competition. With that there is talk around that Norwood should put their team back together, if you are interested mention it to Bob Wolf or myself.

That's all I have to say. But just one more reminder if you have not got your new door card you will have to go to the front door to be let in. Keep the newsletter handy for current events and if you have an idea come to the planning meeting.

Try to do some good thing for someone each day. See ya at the lodge soon.
