

# Norwood Moose Family Center

July – September 2003

## From the Governor & Sr. Regent

We would proudly like to announce that Norwood Moose Family Center earned the Merit Award. Thank you to all the hard work put forth from all officers, chairmen, and volunteers, without you there would be no lodge. A special thanks goes out to all the hard work and effort involved from Tommy Neibur, Glenda Martin and Steve Lynn, their fraternal devotion, hours of hard work, and genuine dedication to the Moose were a major factor in the lodge earning this award.

The new membership campaign is  
Catch the Wave

The new membership campaign has been announced with some very interesting incentives! Sponsor one member and you could become one of the 54 Moose members who'll enjoy a "wave" of relaxation at your choice at one of 76 resorts and hotels throughout North America. A four-day, three-night trip for two will be awarded each week for 54 straight weeks, beginning the week of May 26, 2003.

For a complete list of incentives please visit [www.mooseintl.org](http://www.mooseintl.org).

At International Convention, Director General Donald Ross left the podium after Monday's meeting with a tone more like a battle cry than a corporate report, exhorting his listeners: "Together we can get the job done. The same way we built LifeCare, *together*. The same way we renovated the House of God, *together*. The same way we provide for children in need, *together*. The same way we provide for the aging Moose, *together*. The same way we service out communities, *together*... Together we can do absolutely anything we want to accomplish! Together there is no one out there in this world that can stop us!... Together, men and women, we will make the world's greatest family fraternity—the Moose!"

"It is only through teamwork that our Chapters and Lodges will grow in membership and flourish. It is only through teamwork that we will be able to ensure our future," said Janet Fregulia, Director of Chapter Development for the Women of the Moose, during the ladies' annual visit to the Loyal Order of Moose meeting during the third General Session of the Supreme Lodge.

We would like to see these statements made true in the upcoming year. Teamwork and cooperation will be the keys to continued success of Norwood Moose Family Center. Without this, how can we look for future success?

Dick Martin, Governor  
Debbie Mounce', Sr. Regent

## From the Treasurer, acting as Administrator

Well, here we are coming into summer, after a long cold winter. Spring hasn't been much better with all the rain. I'm sure it's going to warm up and the sun is going to shine for normal summer activities.

On July 12<sup>th</sup> we are going to have an auction at the Moose to help raise money for big bill items. We would like your help and we'd like to have some fun at the same time. Bring in your new and used stuff to donate to the Moose and we will auction it to raise money. We will start the day at 2:00 p.m. with a cook-out and games like corn hole. At 6:00 p.m. the auction will start. See Larry Ping, Janet or Fronie.

Congratulations to Bob Wolf on receiving his Fellowship at the International Convention in Chicago. Good Job Bob, you will look great in blue!

Congratulations to Richard "Dick" Martin on qualifying for membership in the 25 club. New and old members alike, if you haven't been at the club for a while, come in and see us, we miss you and can use the support.

Our administrator, Steve Lynn, has resigned. I would like to thank him for the six years of service he gave to the Moose and wish him lots of luck in his future endeavors.

The Pool League will start up again the first Monday after Labor day. We now have two pool tables, which means we can expand the pool league. If you are interested in playing pool, we would love to have you. Limited to members only. Contact Dave Lynn and have names and phone numbers. Lots of fun, don't miss out. Fronie cooks wings for the Monday night pool league but can't seem to stop. Come in and get her wings. Thanks Fronie.

Word is Norwood 301 will get their Merit Award for this year. Through your generosity and support we help Moose Charities through our lodge. Come and be a part of it!

Saturday, August 9<sup>th</sup> is Monte Carlo night, beginning at 6:00 p.m. Come and win!

August 25<sup>th</sup> will be the next planning meeting. Work. Work. Work. Nobody will probably say Thanks, Good job. Well Done. Somebody has to do it. Why not you? Take pride in working for the good of your lodge. Run an event at the lodge and maybe someone will remember to say well done. Thanks.

Dave Lynn, Treasurer
