TOMMY MOOSE MAKES A VISIT

On May the 13th 2008, the Norwood Loyal Order of the Moose, stepped up to help the children of our city. During the meeting of city council, a donation of 1 dozen "Tommy Moose" was given to both the Norwood Fire and the Norwood Police departments to carry in their vehicles. Tommy is a cute and cuddly stuffed toy moose available for sale on mooseintl.org.

A crisis involving the police or firemen cause fear in the hearts of young ones. A great little stuffed animal is a proven way to give comfort, and help children through different traumatic experiences.

The Loyal Order of the Moose and the Women of The Moose take the needs of children quite seriously. One of the main purposes of the Moose Organization is to

help children in need, especially those in our own community.

"SNACK ATTACK"

SNACK ATTACK - Crock pot food on the weekends. No set schedule or menu - may be Saturday, Sunday or both and if all goes well I may do on other closed kitchen days. The crock will be by kitchen door. Donation pitcher in that area - as long as

donations continue ... food will continue. This is non-profit I'm purchasing food for next Snack Attack. Some ideas are Manwich, green beans and ham, hot dogs, burgers, kraut and sausage, mini meatball hoagies, etc. The thought behind this is to

provide a little something to eat for someone that has a snack attack or needs to get a bite to eat before the drive home, it is not really meant for family dinners or carry out. Suggestions welcome.

Thanks!!

A NOTE FROM OUR ADMINISTRATOR:

I usually have my share of rhetoric (that's BS for some of you), but this month it will be short and to the point. Summer is upon us and people are going their separate ways, as you do, remember 301 and say hi once in awhile. We have a few things going on, but our volunteers need a well deserved break too and a hardy round of applause! Please look elsewhere in the newsletter for important happenings and new campaigns going on this summer.

I'm sure there will be errors

somewhere in this newsletter, but they are there to satisfy the needs of those that have to have something to complain about.

Take care in your travels and above all, be safe! Thanks for all that you do to support our lodge!

Fraternally Yours,
Bob Wolf
Administrator

CAN PULL TOPS

You bet they can be noisy and pesky. Thank goodness they only come around every 17 years; but with good folks like you all, the Ronald McDonald House doesn't have to wait that long for their pop-tops. So keep up the good work and pop those tops for the Ronald McDonald House.

Following are the people and organizations that donated

tabs from April 28 to June 6, 2008: Lisa Goecke, Bellevue, KY Eagles #964, Pam Rainer, Ron & Marge Bregen, Kay & Ron Hockney, Larry Miller, Phil Amberger, David & Mike Kelly, Red & Betsy Krellen & Friends, Dan McMahan of Bond Hill Cafe, Barb Mueller, Middletown Moose 501, Charlie & Ruby Blair of Middletown Moose 501, Tony & Christine Grewie,

Jim North, Norwood Moose Bartenders (Bill, Bob, Tom & Chrissy) & all the people at the Lodge that do take the time to pull their tabs.

Thanks for all you do for the Moose.

Kenny & Jane Malloy

WOTM ARE BUSY AGAIN.....

Thank you for the overwhelming response to last years yard sale. That fantastic support has prompted us to have another one this year.

Clean out your closets, empty your drawers. Clean out the basement! We need your stuff!!

Drop off your donations in the basement of the Lodge.

The last day donations will be accepted is AUGUST 31.

A reminder that our **cookbooks** are still on sale in the Lodge. For only \$8 a piece you can buy them for any occasion. Buy a few and cross people off of your Christmas gift list.

BREAKFAST AND A BUFF!

Car wash will be held August 24, 11-am-2 pm. Enjoy the Moose Legion breakfast for \$5, and for a small fee have your car/bike washed by our beautiful babes!

WE NEED DONATIONS!!

A WORD FROM OUR GOVERNOR

HELLO EVERYONE,

How time flies! Summer is here the weather is nice and hopefully everyone is out enjoying it. As you will notice in the newsletter there are not a whole lot of activities planned as we know that our members have other events going on. With their families and vacations and such but don't forget to stop in the moose from time to time and say hi and support your lodge.

By the time you get this newsletter there should be a new roof on the building as the old one needed to be replaced after so many years of service. We all know with any building there is constant and continuous upkeep.

This is where I would like to focus my attention, to make our lodge more appealing to everyone. There are a few projects already being planned and started, these were ideas that were brought up by members and are being led by members. This is what makes Norwood 301&742 so unique, that we work together as a team and make things happen. If you have any ideas or would like to join in our efforts please feel free to talk to me or any of the other officers about what you would like to see happen. Remember this is your lodge too.

There are quite a number of events planned throughout the state such as pool tournaments, bowling tournaments, car shows, and Special Olympics, that you can participate in and or volunteer to help. I would also like to see more people show up and get involved with district meetings especially when they are held at our lodge, they are very informative and also fun.

In closing, I would once again like to thank all the members who make our lodge a great place to come to and enjoy. Keep up the great work!

Fraternally yours,
Tony Greiwe

SENIOR REGENTS REPORT

Summer has arrived and I know everyone is busy with outside events but hopefully you'll stop by the Moose where we still have food, fun, and AIRCONDITIONING. Make sure to check at the lodge for signs with events and times. Our first summer kickoff went great thanks to "Grilling with Tony". As I am new to my position I will be open to any and all ideas or

advice . I'm looking for activities for our meetings. With everyone's help I know it will be a great year. I hope to see you all at the meetings on the second and fourth Wednesdays at 630pm .

See you at the Moose.
