Governors Corner.

Wow summer is finally over. I was privileged to attend the International Convention in Charlotte North Carolina in June. What a great time it was, especially to see the new Supreme Governor Don Eisel from Ohio being installed. It made me proud to be an Ohio Moose.

Congratulations to Don Leptik on becoming the new O.S.M.A. President. Don was installed at the OSMA annual convention held at Cincinnati in August. For those of you who don't know Don, he is from Hamilton 36 of our own District 1.

Some good things have been going on in the lodge this summer, the hall has been painted, the down stairs is starting to take shape. The Tuesday night Mill street burgers are a big success, thanks to TONY and his wife, CHRISTINE who made it happen. Thanks to the W.O.T.M. for the Wednesday dinners. To be honest, we still need Volunteers to cook Sunday morning lodge breakfast, Wednesday night dinners, Monday night wings and even Tuesday night to give some of those people who are working a little break. If you can't cook there are 4 GREAT events to come and give support by eating or just to socialize. The W.O.T.M. have had some great baskets they have raffled off. Look for more as the year comes to an end.

Remember the new theme if its to be IT'S UP TO ME I hope to see you in the lodge real soon.

From the Administrator's desk

Welcome back! Yes it's time to get back in the swing of things, our long awaited summer is coming to an end and it's time to start looking at our fall and winter activities.

The planning committee has put together some pretty good opportunities to have fun and support our Lodge, now all we need is you the membership to come and join us. All of the details (I hope) can be found elsewhere in this newsletter, if not stop by the Social Quarters and see what's up.

The new International campaign for this year is, "If it is to be, it is up to me" and the way I see it there are around 400 "me"s in our Lodge that need to be supporting us in one way or another. Without YOU we

cannot survive, please take an active part in YOUR lodge.

Our picnic has come and gone and all that attended appeared to have had a good time. Several things from past picnics were missing due to our current financial status, but hopefully they will return next year. Thanks to all that helped make this a success and a special thanks to Gene Lipps of #2 for all of his assistance with our "fund raisers".

Finally, I would like to take this opportunity to thank my wife, Billie, for all of the help and support that she has given me in this past year. Without her, I probably would have thrown in the towel on a few occasions.

Fraternally yours, Bob Wolf, Administrator

Senior Regent Message

Cooler weather is approaching and with that comes the holidays and many activities and special events at the Moose. I hope you can join us for the events listed in the calendar and those that will be posted at the Lodge.

Don't forget our meetings. Chapter Nights are the second Wednesday of each month. We will start using the new ritual for enrollment at these meetings. The new ritual provides more information for new members and also reminds current members what our goals and purposes are. The Business Meetings are held on the fourth Wednesday of each month. If you want to know what is going on in the Chapter and the Lodge, these meetings provide you with the information. It is also at these meetings that your ideas can be brought up. Both of these meetings begin at 7:30 p.m.

I want to take this opportunity to congratulate Debbie Schoeny for receiving her Green Cap at the State Convention is August. This is the first step in receiving the College of Regents Degree. Keep up the good work Debbie!

We are once again doing 25-cent wings on Monday nights and Lodge breakfast the 2nd Sunday of the month. Dinners have been moved to Wednesday nights. Volunteers are needed for these events. If you are interested in helping, please let me know.

I look forward to seeing you at the Lodge.

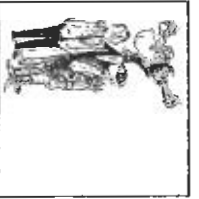

Kristie Paul, Senior Regent.
